# ABOUT US

---

Technical Council IITGN is the student body that promotes and takes initiatives for the technical activities that happen at IIT Gandhinagar.

## Our Mission

Technical Council strives hard to provide the students a platform to learn and critically understand the technologies that aids innovation and development, along with providing the resources that facilitates it.

# CHALLENGES FACED

- Learned and applied the concepts during the Hackathon itself
- Fixing error in the code since we were beginners to web development
